# RUSSIAN ROULETTE DAO ONE PAGE EXPLAINER (TLDR)

## WTF IS THIS PROJECT?

A BEAR MARKET COMMUNITY HEDGE CONCEPT. A SUSTAINABLE PONZI WITH DEEP UNDERLYING FUNDAMENTALS SUCH AS ANTI-DUMP MECHANISMS, LP-NVL RESPONSIVE BUYBACKS/TREASURY ALLOCATIONS. TRYING OUT NEW MONEY CONCEPTS.

# SELLS, 2 TYPES:

SCHEDULED SELLS - 10%, RUSSIAN ROULETTE DAY, EVERY SATURDAY

UN-SCHEDULED SELLS - 90%. OTHER DAYS

 YOU CAN SELL WHEN YOU WANT. WITH THE 90% TAX IN PLACE USING OUR CONTRACT AS PROXY. SEE OUR WORK AROUND IN THE LITEPAPER & HOW TO PROOF TEST IT.

#### BUYS:

15% CONSTANT.

LOW TAX QUALIFICATION:

IN ORDER TO SCHEDULE A LOW TAX SELL, WE LEAVE IT TO CHANCE. THROUGH RUSSIAN ROULETTE, WITH 1 IN 6 CHANCES OF WINNING AGAINST THE TAX MAN.

YOU CAN MANUALLY PICK A NUMBER BETWEEN 1 & 2 THEN SUBMIT TO THE CONTRACT. IF THE CONTRACT PULLS ON THE SAME BARREL NUMBER YOU PICKED THEN YOU WIN. YOU AUTOMATICALLY HAVE 1 SCHEDULED SELL ON THE BOOKS. BUT YOU CAN ONLY USE IT ONCE A MONTH. SO SELL WISELY. AND YOU CAN ONLY USE IT EVERY SATURDAY THEN TAXES REVERT TO 90%.

## WHY?

WE ARE USING TAXES ALONGSIDE A FEW OTHER PILLARS. TO CREATE A SELL PRESSURE BOTTLENECK. BY DOING SO ITS EASY TO GUARANTEE TOKEN VALUE FOR ALL HOLDERS. WITH A BOTTLENECK IN PLACE. WE USE FEES FROM TAXES TO BUYBACK THE TOKENS SOLD INTO THE LP. OR IN OTHER WORDS COVER THE ETH LOST FROM THE LP. IN ORDER FOR A PROJECT TO BE SUSTAINABLE IT HAS TO TRAP VALUE WITHIN LONG ENOUGH TO ACHIEVE ITS GOALS. IN ADDITION. WE WANT TO STRIKE A BALANCE BETWEEN TOKEN VALUE AND PASSIVE INCOME REWARDS THAT COME FROM FARMING.

FOLLOWED BY PERIODIC RELEASES IN SMALL BATCHES THAT WE CAN MANAGE. INVESTORS TAKE TURNS TO SCHEDULE FOR LOW SELL TAXES (10%). AND CAN USE IT ONLY ON SATURDAYS. YOUR INVESTMENT SHOULDN'T BE SOMEONE ELSE'S EXIT LIQUIDITY WHILST THEY DUMP THEIR TOKENS ON YOU AS YOU HOLD.

OWNER IS MERELY A BYSTANDER CONTROLLING ONLY THE RATES. OWNER CANT STOP TRADING. WITHDRAW, OR INFLUENCE ALLOCATION OF FUNDS. ALL FUNDS ARE CONTROLLED BY THE COMMUNITY THROUGH POLLS AND AUTOMATED LIQUIDITY CHECKS. USING THE REBALANCING WALLET CONTRACT. REAL SELF GOVERNANCE.

TO READ IN FULL OUR PROPOSAL FOR SUSTAINABILITY AND STABILITY, IN BOTH BULL AND BEAR CYCLES, PLEASE READ THE LITEPAPER. THE CONCEPTION PAPER. AND FUNCTIONS LIST.
